Who We Are

We are process and product technologists committed to advancing food, pharmaceutical, and other industries with science and imagination. Whether you measure success by flavor, efficiencies, improvement, or innovation, count on us to deliver results.

Certifications

- ISO 9001 2015
- Ministry of Company Affairs
- Company Incorporation Certificate
- Goods and Service Tax
- MSME

Membership

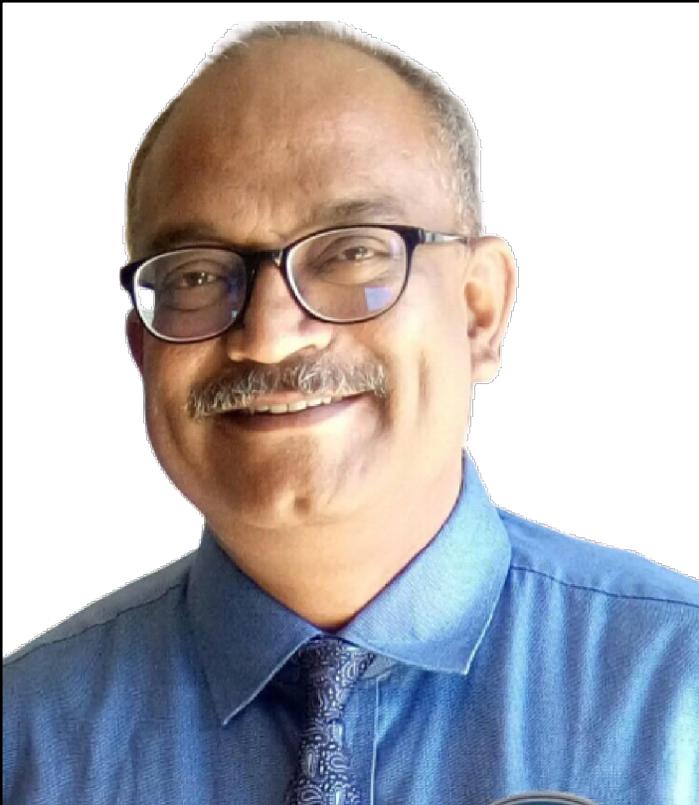

Vision

“To discover, develop and commercialize food processing projects and building a thriving worldwide enterprises.”

Partners

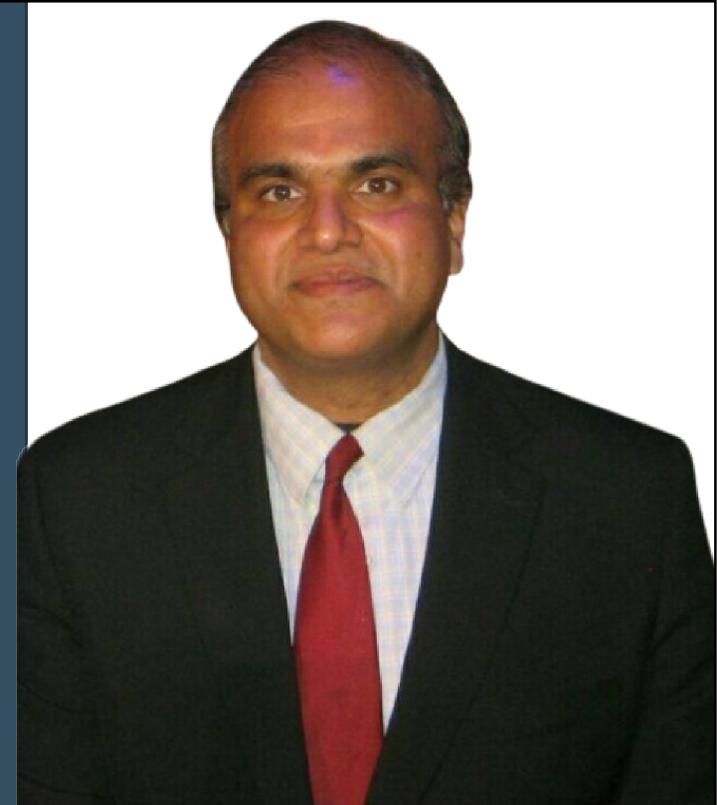

Itat Housain

(Food Technologist)

- 45 Years experience with more than 150 successful projects.
- Product Development Expert.

***“Satisfaction is a rating,
Loyalty is a brand!”***

OUR MENTORS

Pankaj Upadhyay

(Management Consultant)

- 25+ years experience across transformative technologies.
- Writer, Speaker, Conservation & Sports aficionado

***“Pursuit of excellence is
an unceasing journey.”***

Nitin M Aras

(Project Consultant)

- 28 Years of experience in Food Industry.
- Public Speaker and Motivator

***“Quality is remembered,
long after the price is
forgotten...”***

Food Range

- Frozen Foods – French Fries, Speciality Products and vegetables.
- Extruded – Pasta and Pallets.
- Cereals and Grains

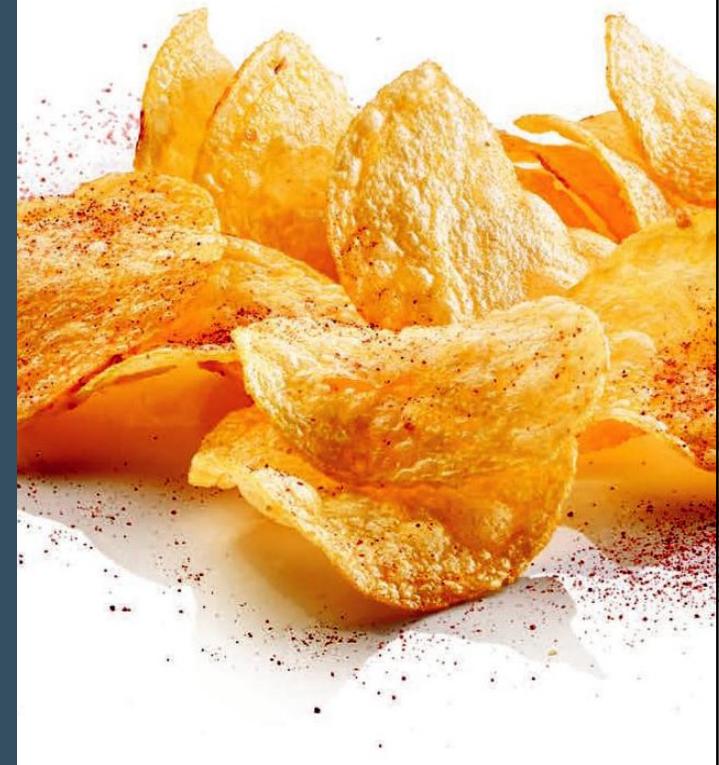

Product Range

- Frying Technology
- Freezing Technology
- Dehydration Technology
- Roasting and Puffing
- Extrusion

Our Services

- Conceptualization and Execution
- Engineering and Manufacturing
- Training, Support and Resource Allocation
- Annual Maintenance Contract (AMC)
- Product Development and Marketing
- APC Cold Chain and operation green.

INFRASTRUCTURE

- ✓ 1500 Sq meter working area.
- ✓ Design lab equipped with 5 working stations of Solid EDGE Siemens software.
- ✓ Team of 12 engineers and 6 skill technicians, 8 semi skilled & 6 under training work force.
- ✓ Material store to keep inventory of raw material and engineering components for two project at least.
- ✓ Network of vendors for LASER profile cutting and CNC bending.
- ✓ Can handle three projects at a time.

Core Values

- Agility and Innovative
- Excellence
- Honesty
- Integrity
- Perspective
- Responsibility
- Transparency

POTATO CHIPS LINE

FRYING SECTION
FRYING SYSTEM WITH OIL FILTRATION
OIL CIRCULATION AND FLOW CONTROLS
OIL HEATER

FLAVORING SECTION
INSPECTION OF FRIED CHIPS
FLAVORING
CONTROL MECHANISM

BLANCHING AND WASHING SECTION
SLICE WASHING AND GRADING
HOT WATER BLANCHING
DE WATERING AND GRADING

PRE PROCESSING SYSTEM
POTATO FEEDER
WASHER
ABRASIVE PEELER
ROLLER TRIMMING & INSPECTION CONVEYOR

FROZEN FRENCH FRIES LINE

FROZEN FRENCH FRIES LINE

FRYING SECTION
FRYING SYSTEM WITH OIL FILTRATION
OIL CIRCULATION AND FLOW CONTROLS
OIL HEATER

INSTANT QUICK FREEZING
CONTROL MECHANISM

CUTTING, BLANCHING, DRYING AND DIPPING SECTION
HYDRO CUTTING & GRADING
HOT WATER BLANCHING
DE WATERING AND GRADING

PRE PROCESSING SYSTEM
POTATO FEEDER
WASHER
